The Honorable Jack Brooks
House of Representatives
Washington, D.C. 20515

Dear Congressman Brooks,

I'm writing you in concern with the incident occuring in Guyana which has been of mass confusion to most of the U.S. and surrounding countries. But my main inquire is what exactly did Rep. Leo Ryan of Ca have to do with the incredible suicide of an entire settlement. What affect if any do you think the mass suicide has had on the reputation of the U.S. towards the rest of the world.

If possible could you give me some back-ground information on Jim Jones so as to help me understand the situation somewhat better.

Yours truly,
James Knigge
